JOSEPH CITY JR/SR HIGH SCHOOL

At Joseph City School District, we believe that our students come first. Our teachers and staff are dedicated and enthusiastic about helping our students achieve their highest potential. We appreciate our parents and the community members for supporting our tradition of excellence!

MISSON STATEMENT:

Challenge and empower all students to be independent thinkers, lifelong learners, and responsible citizens.

VISION STATEMENT:

Inspire a passion for learning by making education relevant and fun.

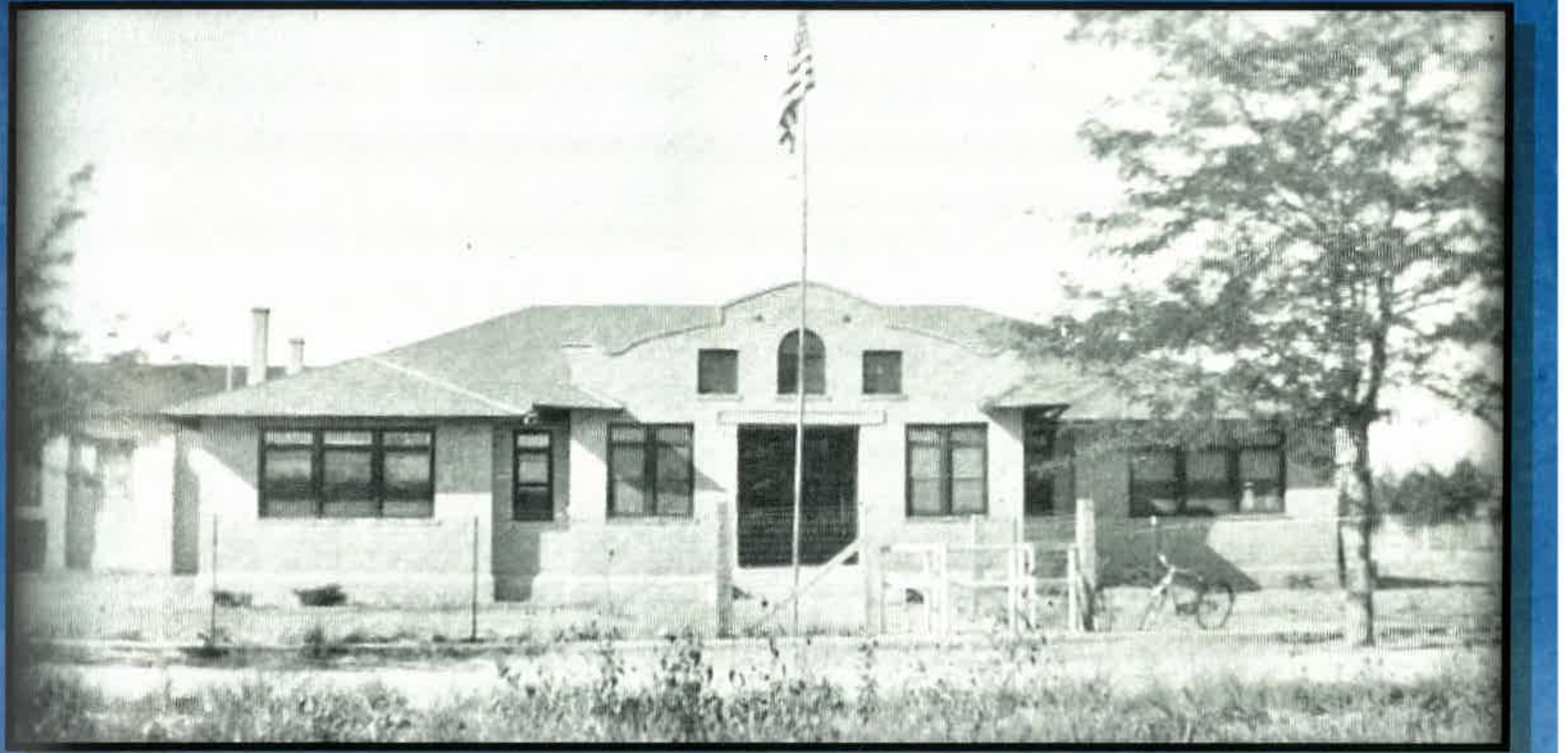
JOSEPH CITY SCHOOL BUILT IN 1914-16.



JOSEPH CITY, ARIZONA WAS ORIGINALLY FOUNDED IN 1876 AS ST. JOSEPH. ST. JOSEPH, ARIZONA WAS LOCATED ALONG THE SANTA FE RAILWAY LINE. IN 1923, BECAUSE ST. JOSEPH, MISSOURI WAS ALSO ON THE SANTA FE LINE, THE NAME ST. JOSEPH WAS CHANGED TO JOSEPH CITY. SINCE ITS BEGINNING IN 1876, JOSEPH CITY HAS RETAINED ITS SMALL-TOWN FEEL AND SUPPORTIVE COMMUNITY. WE ARE PROUD OF THE SMALL SCHOOL ENVIRONMENT. OUR DISTRICT CONSISTS OF TWO SCHOOLS, JOSEPH CITY ELEMENTARY SCHOOL AND JOSEPH CITY JR/SR HIGH SCHOOL. WE WORK HARD TO MAINTAIN HIGH EDUCATIONAL STANDARDS FOR OUR DISTRICT'S STUDENTS. JOSEPH CITY HIGH SCHOOL HAS EARNED "EXCELLING" STATUS UNDER ARIZONA'S SYSTEM FOR RATING SCHOOL AND DISTRICT PERFORMANCE FOR THE PAST SEVERAL YEARS, AND HAS BEEN RECOGNIZED BY U.S. NEWS AND WORLD REPORT WITH A BRONZE MEDAL AS ONE OF THE BEST HIGH SCHOOLS IN THE COUNTRY.

DEDICATION

THANK YOU MR. HUNT

The powerful impact of a caring teacher is immeasurable. This is because the inspiration that they give continues on in others and multiplies into future generations. Joseph City High School was fortunate to have had such a teacher as Dennis Hunt for 27 years. Mr. Hunt taught all levels of high school science and worked diligently to help all of his students. The legacy that he leaves behind is one of honesty and integrity. Beyond teaching his students science, he understood that what he was really doing was teaching individuals. I have heard him say that one of the most important things that we teach our students is how to learn. Mr Hunt displayed this belief in his classes. He is a great example of the character traits that we strive to instill in our students. Mr Hunt is worthy of this recognition and much more. We humbly submit this small token of our appreciation for the many years of dedicated service that he has provided. His quiet disposition and humble personality continue to inspire. Thank You Mr. Hunt for everything that you have done and continue to do for the students and staff of Joseph City High School.

Respectfully,
Bryan Fields

MATH RAPPERS

There are five simple steps for factoring, We're gonna rap 'em all to you, so hear us sing. First is greatest common factor GCF, GCF this easy step is the best. How many terms does it have? Count 'em all up, no need to add. If there's just two terms then there's two little steps. It's just the difference of squares or sum of difference of cubes. If it's binomial that's all you gotta do. But a trinomial has two steps too! Perfect square is the first one then short or long method. Please don't run there's one more step for factoring for more than three terms. We start grouping. Now that you've finished factoring check to see if it's right - it won't take all night! Peace we out!

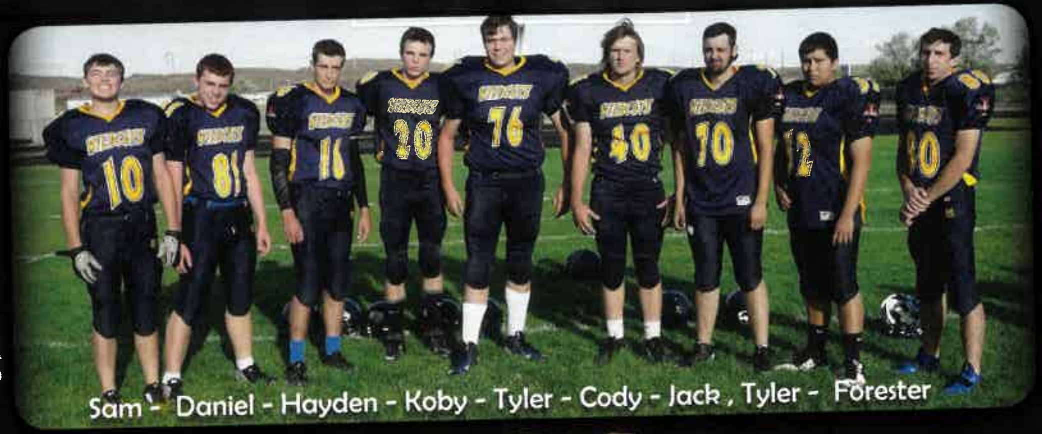
WILDCAT FOOTBALL

SENIORS



Sam - Daniel - Hayden - Koby - Tyler - Cody - Jack , Tyler - Forester

The Wildcat Football team had a good bunch of kids come out this year with a total of twenty-four players. The Wildcats went 5-4 during the regular season and made the playoffs as the12th seed. This was a good accomplishment after missing the playoffs the previous year. The Wildcats did things a little differently than usual as they went 4-0 on the road, but only 1-4 at home. The one win at home was a great comeback win over the Mayer Wildcats for Homecoming! The players did a great job learning new offensive and defensive systems. I really enjoyed working with this team. They are a great bunch of kids and I appreciated their hard work and great sportsmanship. They represented JCHS very well. I am looking forward to even greater things next year! If this year's underclassmen will put in the time and effort in the weight room, the sky is the limit next year!

THE BAD BOYS OF BASKETBALL

We ended our season with 13 wins and 13 losses. Senior co-captain Koby Smith was the team's most valuable player. Koby had 495 points putting him over a 1,000 points at JCHS. He led the league in rebounds and was fifth best rebounder in Arizona with 327 rebounds. He was in the top five of the state in double/doubles. Matthew Fields earned the team's Best Offensive Player. His size and skills allow him to play all positions on the court. Troy Proudrier earned the coaches' Wildcat Hustle Award. He played injured the entire season, but never showed it. Forester Flake and co-captain Tristan Richard, both transferred to JCHS this year and provide needed experience. Not many players came out this year, allowing the junior varsity to get varsity playing time. This experience will pay off in the years to come. Things to remember: broken nose, broken ribs, busted chin, stitches, long bus rides, Burger King in Chinle, and a lot of blood and puking. It's not a cheer, it is a break! TEAM!

The girls basketball season was filled with game winning shots, splits, defense, and a lot of hard work. The girls gave maximum effort throughout the year and grew as basketball players. The highlight of the season happened in the third and fourth place game of the Williams Tournament. We found ourselves behind by four with minutes left. The team picked up their effort and forced turnovers to bring us within one point with seconds left. We passed the ball in, drove down and hit a game winning shot at the buzzer!!! It was a great memorable season! - Coach Miller

This year we had a great wrestling season! We had a small, but hard working team show up, ready to put in the effort to make it. We had three Freshman, two Sophomores, one Junior, and a Senior that gave it all they had for the sport. As a result, we had two wrestlers finish with a 3rd place and another one with a 4th place medal to qualify for state. Our team is still young. they show promise for a successful season next year and will help to build a better program for years to come. We as a coaching staff are proud of those that finished the season and look forward to seeing them again next year. - Coach Jones & Martineau

The season started off with a bang as the Wildcats beat rival Mogollon 4-2. After the win against Mogollon, the team proceeded to lose six straight games; however, our Wildcats continued to improve during the month of March. As March came to a close, the team beat Mogollon 21-6 and seligman 18-2. The boys opened up the month of April with a loss to Ash Fork; a team that ended the season ranked 3rd in division 5. The Wildcats proceeded to roll through the rest of the season winning 10 of the last 11 games. The team ended regular season as division 5 North Section Champions with a 10-0 record in section play and ranked13th in Division 5.

We only graduated three seniors from the 2016 team: Sam Johnstun, Tristan Richard, and Jack Wilbanks. They will be missed, but with six returning starters, the future for the Wildcats looks very promising. Even though the season ended with a heart-breaking loss in the first round of the state tournamnet, all of the players and coaches are resolved to return next year and make it a championship season. -- Coach Layden

What a great bunch of athletes I have had the privilege of coaching this year. We were a relatively young team, but great growth was seen by all. Throughout the season all the athletes saw success and progression! At state our athletes earned 4 medals; In high jump Aaron earned a gold and Koby earned a silver! In the triple jump, Matt earned a bronze and Koby placed 6th. In the 800 meter run, Forester earned a bronze. Along with the medals we had several of our team place in the meet earning points. Talon placed 7th in the 1600m, and 6th in the 3200. Our girls 4x800 team went to state at 10th place and placed 8th shaving almost 13 seconds off their best time.

Tricia, who ran the 100m, 4x100m and competed in the long jump all season decided two weeks before the end of the season to try out high jump. She proved to be a natural and qualified for state. Alyssa ran a wide range of races, starting with the 1600m and 4x100. She also competed in the long jump. As the season progressed she focused more on the 4x100 and changed to the 100m run. Due to a disqualification at the final meet in Snowflake our 4x100 team was not able to qualify. Alyssa did attend state as an alternate for the 4x800 team.

Our athletes broke several school records this year. Forester broke both the 400m with a time of 53.05, and the 800m with a time of 2:00.27. Talon broke the 1600m record with a time of 4:36.03 and the 3200m with a time of 10:14.56.

All of our athletes broke personal records. We had a great time and a wonderful year! - Coach Rush

"We learned a lot this season, the boys worked hard and progressed. We had some tough games and we got better at learning our offensive plays as wel as defense. Our most memorable game was probably when we played Maye and came off victorious! We had many small victories and learning opportunities and I consider these as important as winning. Overall we had a great season. A big thank you goes out to all who helped out especially the support of the parents. Every year we have a different saying to put on our shirts for inspiration. This year we used "Battle In The Circle. A circle symbolizes my battlefield, I fight to survive without a sword or shield, a war zone where no one gets killed, but where dreams are destroyed and some are revealed. Technique and hard work are my weapons of choice. It's just me and the sound of my coach's voice. I'm a soldier with the desire to win, so give me an opponent and let the battle begin."
The kids this year overcame adversity as a team and as individuals; they gave 110% to us as coaches. Coach Roberson and I are proud to have these kids in our wrestling room and to be able to watch them grow into young adults. I hope that they will continue to work hard next season so we can keep this growing as a family. - Coach Boose

Brian Gardner has taught at Joseph City for several years (4), the most recent being 2015-16 school year. He has worked with his students diligently to help them progress in music, in math and in life. This includes being a wonderful role model and someone who we can count on. He puts his heart into his work and has made a positive impact that is much more than he realizes. We are grateful for the time that we have had with him, and for what he has done for his students and our school. We honor his 25 total years of teaching and wish him the best in the future! Class Song: I Lived

Hope that you spend your days, but they all add up.
And when that sun goes down, hope you raise your cup.
Oh, I wish that I could witness all your joy and all your pain.
But until my moment comes, I'll say:
I, I did it all, I, I did it all
I owned every second that this world could give,
I saw so many places, the things that I did.
With every broken bone, I swear I lived!

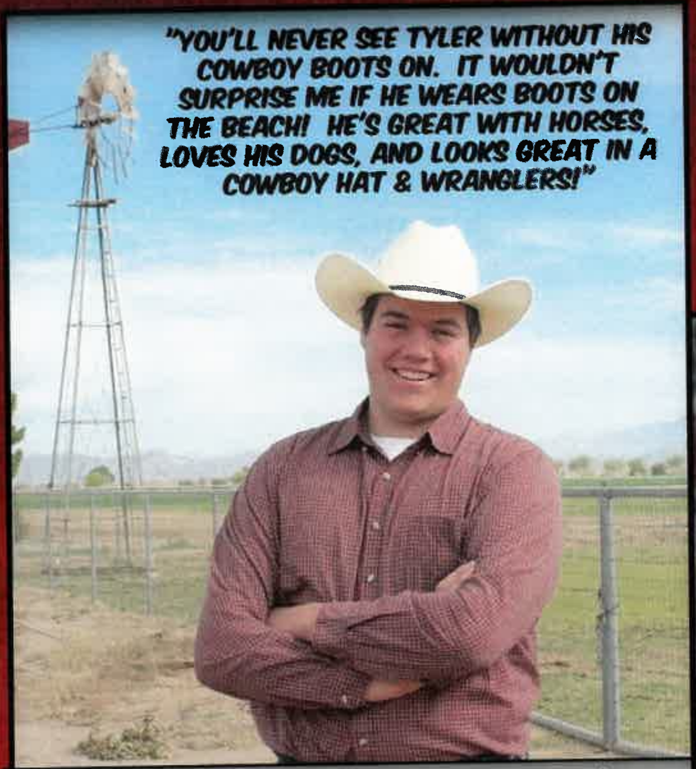
Congratulations Chalet!
We love you and are so proud of you!
Mom & Dad

Stay true to yourself because there are very few people who will always be true to you.

Alyssa, we are so proud of you and the many accomplishments that you have done. Thanks for your positive attitude and your desire to do great things! You will go far!!

We love you -
Mom, Dad & Family



"YOU'LL NEVER SEE TYLER WITHOUT HIS COWBOY BOOTS ON. IT WOULDN'T SURPRISE ME IF HE WEARS BOOTS ON THE BEACH! HE'S GREAT WITH HORSES, LOVES HIS DOGS, AND LOOKS GREAT IN A COWBOY HAT & WRANGLERS!"

Dear Tyler, We want you to know how proud we are of you and your accomplishments. What a wonderful person you are! You have a lot of people who look up to you, but being 6'5" you'd expect that! You've brought so much joy to our family! We're so proud of the choices you've made and the honorable man you're becoming! You have always been tenderhearted and very spiritual, qualities that draw people to you. Never change.

"TYLER IS AN AWESOME EXAMPLE! HE'S COMPASSIONATE, GENEROUS, THOUGHTFUL, PATIENT, AND KIND! HE HAS A FUN SENSE OF HUMOR AND CAN DO DONALD DUCK'S VOICE SPOT ON. HIS NIECES AND NEPHEWS LOVE IT!"

"TYLER IS VERY TALENTED. WHEN HE WANTS TO LEARN A SKILL, HE BUCKLES DOWN AND LEARNS IT! HE RECENTLY DECIDED HE COULD ACT AND PERFORMED AS THE WIZARD IN THE WIZARD OF OZ. HE ENJOYS SINGING IN THE CHOIR AND HE'S EXCITED TO SING FOR OUR SERVICEMEN AND WOMEN IN HAWAII. HE BELTS OUT COUNTRY SONGS, ESPECIALLY PATRIOTIC ONES!"

We're so excited to see what the future holds for you! You're going to do great things! You are the definition of awesome. God gave you a body big enough to accommodate your huge heart. Even then, I'm sure it's a tight fit!

We sure love you Flaco Pitney!
